

Save time. Save paper. **Save trees.**

And we'll plant one just for you.

Sign-up for e-statements between now and the end of April and we will make a donation to the **Arbor Day Foundation** who will **plant a tree in your honor** in one of our nation's forests. With your next statement, you'll be proud in knowing that you've received a different kind of tree.

Visit us online at AmericanRivieraBank.com and click on **eStatements** or visit us at 1033 Anacapa Street and we'll walk you through the process.
